Profile

For the last two and a half years I had the opportunity to work in ALP architects as Architectural Assistant Part 2, collaborating on different projects from stage 0 to 7 following the 'RIBA plan of work 2013'. Being part of a small team give me the opportunity to be involved in all the stages of the projects, dealing with Planning Application, Building control, Listed Building, Building Regulations, main contractor queries "RFI" and Clients. Working along with a multi-disciplinary team. (Structural engineer, MEP engineers, project manager, contractors and subcontractors).

Work Experience

2016 - 2018 ALP Architects UK

- Adaptive design ability to meet project requirements
- Strong Project management from first enquiry through to final design solution
- Able to collaborate with all levels of the procurement chain
- Strong technical drawings abilities
- Projects worked include:
